PATENT OFFICE
AUG 6 1942

Your first line of defense for protection from winter's cold—fur coats made from deeply-furred pelts, painstakingly tailored for smooth, comfortable fit—typically Woodward & Lothrop quality, at exceptionally low prices.

Flattering and becoming styles that typify discriminating Washington women—different lengths to balance slim skirts, boxy coats, fitted silhouettes.

Choose your fur coat now in leisure and comfort in our Air-Conditioned Fur Salon, while you may take advantage of these attractive prices. Sizes: juniors' 9 to 17, misses' 12 to 20, women's 38 to 44.

You may reserve your selection with a reasonable deposit, balance payable on delivery, or use our Deferred Payment Plan of ⅓ down and the balance in equal monthly payments.

We will store your purchase in our vaults, without additional charge, until Nov. 1st.
